Umbilical Cord Clamp

- » Manufactured from non-toxic, Medical grade polymer.
- » Pack of 100 Pcs.

55030 – Aluminium Case for Midwifery Kit

- » **Material:** Made from high-quality aluminium, ensuring durability and lightweight handling.
- » **Dimensions:** Approximate size of 305 x 216 x 150 mm (12" x 8.5" x 6"), providing ample space for all necessary tools.

Ring Vaginal Pessary Silicone Non Sterile

- » IndoSurgicals Ring Vaginal Pessary are 100% silicone pessaries that are used in the management of vaginal prolapse of the urogenital organs.
- » These pessaries are soft and pliable, making them easy to insert and remove.
- » Available in 3 sizes and all are without support.
- » Ring Pessary is very common for a first to second degree prolapse. The Ring with support can also be used on an accompanying cystocele. Insertion is eased with the folding action of the Ring.
